A promotional banner for NewSellCoaching.com. It features a red background with a white-bordered photo of a man with glasses and a mustache on the left. To the right of the photo, the text reads "WELCOME TO..." in small white letters, followed by "NewSellCoaching.com" in large white letters. Below this, a white rounded rectangle contains the text "Find out more about WOMBAT SELLING, and how to sell by Word of Mouth" in black.

A Worrying Trend

I've noticed a worrying trend amongst fellow marketers. They are dismissive of web 2.0 and this will hurt them in the long run.

Let's take [Facebook](#) as an example.
